camco Chairman's letter to shareholders and Notice of Annual General Meeting

Dear Shareholder

Annual General Meeting 2011

I have pleasure in inviting you to this year's Annual General Meeting of Camco International plc ("the Company") which will be held at 11.00am on Wednesday 16 November 2011 at Singer Capital Markets, One Hanover Street in London W1S 1YZ. Full details of the meeting and the resolutions that will be put to shareholders are set out in the enclosed Notice of Meeting. As usual, our Directors and senior managers will be pleased to meet shareholders prior to the meeting from 10.15am. I do recommend that you arrive by 10.45am to enable us to carry out all of the registration formalities to ensure a prompt start at 11.00am.

If you cannot come to the meeting in person, your vote is still important and I would urge you to complete, sign and return the enclosed proxy form to be received by 11.00am on Monday 14 November 2011. You may also register your proxy vote electronically via email (externalproxyqueries@computershare.co.uk). We will again this year take all resolutions on a poll vote. On a poll, each shareholder has one vote for every share he or she holds. The Directors believe that this is fair and democratic as it allows all shareholders to have their votes counted whether or not they are able to attend the meeting and it is in line with best practice.

The Annual General Meeting gives us the opportunity to present the Company's performance and strategy to shareholders and to listen and respond to your questions. If you cannot attend, but would like to raise any points, please send your comments to me at investor.relations@camcoglobal.com and we will take them into account in planning the meeting.

Resolutions

In addition to the routine business, we are asking shareholders to approve some items of special business at this year's Annual General Meeting. This includes the adoption of new Articles of Association in order to permit the Company to reduce the number of days of clear notice prior to the AGM. Under the Companies (Amendment No. 9) (Jersey) Law 2008, Article 91 of the Companies (Jersey) Law 1991 was amended to refer to a 14 clear days' notice period for calling annual general meetings (unless the company's articles require a greater notice period). Therefore it is now usual for Jersey companies' articles to provide for a 14 day notice period for calling general meetings. Resolution 6 is therefore requested to bring the Company's procedures into line with standard practice.

As in previous years, a further resolution seeks to empower directors to allot and issue equity securities as if the pre-emption provisions relating to the allotment of equity securities did not apply. The board considers it appropriate that the directors be granted authority to allot shares in the capital of the Company up to a maximum number of 18,917,809 representing 10% of the Company's issued ordinary shares on the date of this resolution. The directors consider it prudent to continue to obtain the flexibility that this authority provides. An explanation of all of the items of special business is set out in the notes of the Notice of Meeting.

Recommendation

Your Directors are of the opinion that all resolutions which are to be proposed at the Annual General Meeting are in the best interests of the Company and its shareholders and therefore unanimously recommend that you vote in favour of the resolutions.

Yours sincerely

Dr Jeff Kenna
(Acting) Chairman

CAMCO INTERNATIONAL LIMITED
